to be

**kid**  
Again

you never became out of fear  
understood,  
complete,  
forgetting you were born  
without a  
why to worry  
or a  
worry to believe in.

---

always exists. (everything always exists)  
never exist. (nothing doesn't exist)  
Lwys xsts. (evrythng Lwys xsts)  
Nvr xst. (nthng dsn't xst)  
Nd th cycl cntnuz s0...

Deth tks th plygrnd Lyf 0nc0 r0n in  
nd scurries 0round a littL bit  
and also gets bored.  
Lyf finds Deth st0rtng to slow down  
and Lyf s00s 0pprtnnity to make friend.  
Lyf tags Deth  
from the back of the shoulder,  
Deth turns around and tags Lyf back.  
and they take turns being it  
on the playground.  
and they chase each other in loops  
and circles  
(and bloops  
& blurples)  
into a 4th dimension,  
innocent laughs  
(& divine cries)  
until papa says it's time.

**kid** Again?  
it happens.  
but you never find out when.  
or why.  
or whether or not existingly.
